# The Rod & Gun Club

Historical Everglades City dates back over 1,000 years. The Rod and Gun Club is built on the original structure of the first permanent white settler who founded Everglades City in 1864. In 1922 Barron G. Collier, a banker and railroad man, bought almost all of Southwest Florida including the Rod and Gun Club which he operated as a private club. He hosted international dignitaries and several United States presidents here.
