

# Weather Course

The Marco Island Sail and Power Squadron is presenting an 8 week in-depth weather course.

Learn the key elements of Weather, Atmospheric conditions, Wind and Waves, Clouds and Rain, Storms, Tropical Weather and an introduction to Forecasting. Particular focus on Florida Marine Weather. This course gives the student a good basic understanding of weather and forecasting supplemented by computer/phone Apps.

Classes meet on Fridays (beginning on 1/11) at 1PM in the  
Marco Island Sail & Power Squadron Learning Center at  
1114 Collier Blvd. (above the SpeakEasy Restaurant)

Cost: \$70 member, \$110 non-member (Cash , Check or Credit Cards accepted)
